**LSPG New York Rate Year 2022 Projection Stakeholder Meeting**

The LS Power Grid New York, LLC (“LSPG New York”) Formula Rate Implementation Protocols do not require an open meeting for an Annual Projection. However, as part of September 30, 2021 posting and notice of its Annual Projection for the 2022 Rate Year (“2022 Projection”), LSPG New York offered stakeholders an opportunity to request an informational meeting. LSPG New York will host a stakeholder meeting on November 10, 2021, to explain its 2022 Projection and provide an opportunity for stakeholders to seek information and clarification.
